

# THE ENGLISH STUDIO

DUBLIN

2019

Dublin offers all the culture, cuisine and modern luxuries that you would expect from any cosmopolitan city whilst retaining the infamous Irish charm. On our doorstep, there are museums, art galleries and theatres, as well as a world of delicious food to be explored. Ireland has many historic and beautiful places to visit in your free time, all easily accessible from the city.

## The English Studio Dublin

The English Studio Dublin is situated right in the heart of Ireland's bustling, capital city. Located in the exciting shopping district, the school is surrounded by restaurants, cinemas, bars and much more!

With the school's ideal central location, many of Dublin's famous sights are just a short walk away. With excellent transport links to get into the city by bus or the Luas tram, your journey from home to class will never be too long.

## Social Programme

Our social programme is full of opportunities to meet classmates outside of lessons to practise your English, make friends and — most importantly — to have fun.

Every week, we schedule a variety of sightseeing, cultural, and leisure activities, so there is something for everyone to take part in and enjoy. Our experienced staff find the best activities that are affordable for a student budget — if not completely free!

Ask in reception or visit our website to find out what's on the current social programme calendar at [englishstudio.com/social](http://englishstudio.com/social).
